Dear Business Builders of St. Pete Members:

Thank you for holding a supply drive at the Business Builders of St. Pete networking group. As we were unloading the car, I saw a lot of high demand items in the mix. The teachers are going to love it!

The mission of *A Gift For Teaching of Pinellas* is to ensure that students and classrooms in Pinellas County have the basic tools for learning by transferring, at no cost, the community's surplus supplies and merchandise into the hands of teachers and school children in need. It is vital that we energize others so this becomes a community effort and not a personal crusade. It's caring people like you at Business Builders who will help us level the playing field for disadvantaged children. Thanks to an outpouring of community support, we have transferred over \$140,000 of supplies into the hands of teachers at low income schools throughout Pinellas County since we opened in October 2004.

Thanks again for your unselfish act and support.

Warmest Regards,

Jeff Tomeo
Program Administrator
